## Passenger Train Jumps Track, Many Injured

BY CHARLES E. WARDER

BALTIMORE (AP)—A Pennsylvania Railroad passenger train, speeding along about 80 miles an hour en route from Washington to New York, derailed about 10 miles east of Baltimore today.

Thirty-two persons were taken to hospitals. Two of those were released after checkups. Hospital spokesmen said none of the 30 remaining suffered more than minor injuries.

The electric engine and all 10 cars stayed upright.

A railroad spokesman said the cause of the derailment had not been established.

A Baltimore County policeman at the scene said the rails apparently sprang, dropping the speeding train, the Potomac onto the ties. But a Pennsylvania official said he doubted that railspraying was the cause.

The engine and the first seven cars rumbled and rolled up the track between the rails for several hundred yards. The last three cars broke off and stopped. None of the cars overturned.

Ties and rock ballast were tossed high and scattered down the right-of-way, blocking three of the four main line tracks.

One passenger, Henry G. Gardner of Philadelphia, said he was in the car next to the dining car. He said an attendant, the only other person in the car, yelled "Hold your seat, something's going to happen."

The car started rocking and "bumping," Gardner said. Then stuff began flying out of the pantry or the dining car ahead, going all over the place.

"I was tossed to the floor of the car but said I suffered only a very minor leg bruise."

Police estimated that 300 passengers were on the train, which left Washington at 7 a.m. and Baltimore at 7:43 a.m. Its next scheduled stop was at Wilmington, Del.

Wreckage from the derailment was scattered up the track for about a mile.

John Nizolek, who lives in the small community of Middle River, where the wreck occurred, said she was inside her home when the train derailed.

She said the house shook and "there was a lot of noise." She ran out and helped some of the injured out of the cars.

## Barge Explosion Evidence Reviewed

MEMPHIS, Tenn. (AP)—A Coast Guard board yesterday reviewed evidence collected from an inquiry Tuesday into a barge explosion near Helena, Ark., that killed seven men.

After reviewing finds of the earlier inquiry at Greenville, Miss., the seven-man board said results will not be released for several weeks.

The Jan. 30 blast wrecked a barge owned by the Choctaw Transportation Co. as it prepared to load logs from a riverbank site about 20 miles south of Helena.

## Appropriation Bills Snagged in Squabble

LITTLE ROCK (AP) — An economy bloc in the Arkansas Legislature kept the states No. 1 budget bill—the general appropriations measure — bottled up overnight and a major battle on the bill was in prospect later today.

The bill, which carries appropriations for all of the state's constitutional offices for the next two years, was defeated in the Senate last week — largely because it contained salary hikes or some prosecuting attorneys.

Yesterday the bill came up before the House, which sat as a committee of the whole, and the battle began anew. Rep. Ben Bynum of Chicot County touched off the fight when he tried to amend the bill to prevent prosecuting attorneys from engaging in private practice of law if they are granted the salary increases.

Several other amendments were dumped into the House hopper just before the representatives sensed a deadlock, voted to defer consideration of the bill for at least 24 hours.

State law requires that this bill must be passed and signed by the governor before any other appropriation measures can be approved.

The Senate, however, went ahead with action on other budget bills while it waited for a compromise to be worked out on the general proposal.

Sen. Tom Allen of Brinkley explained that these bills will have to be held in the Legislature, even though approved, until the general appropriations bill is signed.

And the economy wave remained in the Senate. Members approved a list of routine budget bills but balked at a \$35,400 appropriation for the state Claims Commission, this bill, as introduced, contained salary increases for the three commission members.

Senators also refused to approve an item of \$24,000 to be used by the Arkansas Commerce Commission and the Arkansas Public Service Commission in printing a digest of all state laws pertaining to the two boards.

The list of routine bills approved included one appropriating 112 million dollars for operation of the state Welfare Department during the next two years. This amount included a considerable federal matching funds.

The House, despite its wrangle on the general budget bill, managed to take action on several other proposals.

It approved, with only two dissenting votes, a bill to permit drivers on intercity buses to designate the seating of passengers.

Sponsors of the bill said it was designed to provide for segregated seating without mentioning race.

And the House also passed, 63 to 30, a bill regulating operation of motor scooters.

This bill requires that scooter operators between the ages of 13 and 16 must be licensed by the State Police. It prohibits operation of a scooter by youths under 13.

The House rejected a bill giving the governor authority to fill certain school board vacancies. And it defeated a bill to standardize parking meter fees and fines in the state.

Alford to Talk in Mississippi

JACKSON, Miss. (AP) A public meeting sponsored by the Citizens Council next Thursday will hear an address by Rep. Dale Alford (D-Ark.) who won a seat in Congress through a write in campaign.

Alford defeated Brooks Hays, the Democratic nominee for Arkansas' Fifth District post, in the Nov. 4 general election.

A spokesman for the segregationist organization said Alford will pay tribute in his speech here to Mississippi legislators who "battled in his behalf" during the campaign.

Teacher Abuse Fine Proposed in Calif.

SACRAMENTO, Calif. (AP) — State Sen. Albert S. Rodda introduced a bill that would impose fines of up to \$500 for insulting or abusing a teacher in a classroom or within hearing of pupils or school board members.

Rodda teaches at Sacramento Junior College.

## Committees Named to Study Schools

James H. Jones, Superintendent of Schools announced today that committees have been set up for a Curriculum Study of schools.

The committees are headed by a teacher and a lay person with each committee having about 20 to 30 lay people involved in the study.

Committee assignments have been mailed out of the office.

Mr. Jones said "If you are chosen as a member of any committee please accept the responsibility for this study provides a real opportunity for lay and professional people to work together for the improvement of their school." Any interested lay person not assigned to a committee can participate in this study.

The eight major committees are as follows:

1. Elementary Curriculum — Principals and PTA presidents will serve as co-chairmen of their respective schools.

2. Secondary Curriculum — Co-chairmen, Mrs. Ben Owen, Mrs. Julius Adams.

3. Mathematics and Science — Co-chairmen, Dr. Forney Holt and Jack Bealy.

4. English, Journalism, Speech Foreign Languages — Co-chairmen, Mrs. Sam Strong and Mrs. W. M. Sparks.

5. Social Studies, Counseling Services and Pupil Activities — Co-chairmen, Judge James Pilkinton and Mrs. F. J. Burroughs.

6. Commercial, Industrial and Vocational Education — Co-chairmen, Mrs. Fred Ellis and Mrs. H. L. Hanagan.

7. Art, Music and Library — Co-chairmen, Mrs. Hendrix Spragins and Jon Barabotto.

8. Health, Safety and Physical Education — Co-chairmen, Mrs. Ray Turner, and John Pierce.

The first meeting will be held Monday night, Feb. 16, in the Junior High auditorium, 7:30 p.m. At this time the responsibilities of committees will be explained and all committees will work under the leadership of the co-chairmen.

## GOPs Planning Lincoln Memorial

HOT SPRINGS, Ark. (AP) — Arkansas Republicans will join with GOP members throughout the United States tonight in traditional Lincoln Day observances.

Some 350 state party members are expected to attend a dinner here at which Rep. Page Belcher (R-Okla.) will be principal speaker.

Belcher is state secretary of the Oklahoma Republican Party.

Proceeds of the \$15 a plate affair will be used for party work in Arkansas.

The reception committee for the dinner will include Pratt Remmel of Little Rock; D. Fred Taylor of Blytheville; B. H. Hendley of Harrison; Martin Green of Fort Smith and L. A. Vaughn of Hot Springs.

## Student Grant Measure Goes Before House

LITTLE ROCK (AP) — An administration bill designed to reduce the impact of integration by providing tuition grants for students who do not wish to attend integrated schools was introduced in the Arkansas House today.

The bill would affect a plan first advanced by Gov. Orval E. Faubus at a news conference Monday.

The measure provides that, upon application from parents, the state Board of Education would make tuition grants to students for use at any schools of their choice. The funds would be withheld from state monies normally due to the school district.

Prairie Rep. John P. Bethell, Hempstead Rep. Talbot Felld Jr., and Crittenden Rep. Lucien C. Rogers joined in introducing the bill and identified it as an administration measure.

In part, the bill said: "The Supreme Court of the United States precluded its school integration decision upon the psychological effect of segregated classes on children of the Negro race, and, at the same time, ignored the psychological impact of integrated schools upon certain white children who observe segregation of the races as a way of life."

The tuition grant would amount to the per capita expenditure of the school from which the student transferred, or the per capita expenditure of the new school he attended, whichever was less.

Although the funds would be paid to individual students, the bill would prohibit their using the money for any other purpose than furthering their education.

Bethell said the bill clears the way for any person who cannot accept integration to continue to exercise his constitutional right to attend school.

A bill to legalize the teaching of the theory of evolution in Arkansas high schools was introduced by Mrs. Gordon P. Oates, Pulaski County representative.

Mrs. Oates said high school students had suggested the bill, which would repeal a 1928 law.

She said she understood that the Revolutionary theory although generally accepted by scientists, was not being taught in Arkansas schools.

The House unanimously adopted a resolution inviting Rep. Dale Alford (D-Ark.) to address the lower chamber at 4 p.m. Feb. 20.

Faulkner Rep. A. M. Ledbetter sponsored the resolution, which praised Alford as "an outstanding leader in the efforts to preserve the rights reserved to the states," by the federal constitution.

## Cyprus Talks May Open in Britain

By MILTON MARMOR

LONDON (AP) — A three-power meeting to speed final approval of the Zurich plan for peace and independence in Cyprus may open in London Monday, informed British sources said today.

There was a strong desire in Greek, Turkish and British circles to maintain the momentum that broke the long deadlock over Cyprus in Zurich.

The plan signed by Premier Constantine Karamanlis of Greece and Premier Adnan Menderes of Turkey was laid before the British Cabinet this morning.

Informed sources said the British government will begin consideration Friday.

The plan carries the hopes of leaders of all three nations that peace will come soon to island's troubled Mediterranean island and only after four years of bloodshed.

## Workers Call Strike Against Pan American

MIAMI, Fla. (AP) — Pursers and stewardesses refused to man Pan American World Airways planes here today after a walkout of porters and stock clerks.

The first two flights left on schedule.

A company spokesman said the flights to Nassau and Havana, had supervisory personnel in place of the service crew. Pilots were not involved in the strike.

Twenty-one mechanics also stopped work in sympathy with the porters.

Pursers, stewardesses, porters and mechanics are members of the Transport Workers Union which has authorized a strike against Pan Am in an attempt to gain a shorter work week. Today's demonstration apparently was unconnected with this.

The stock clerks, beated by the Teamsters Union, walked out in protest against changes in maintenance procedures adopted after the airline's move to the new Miami terminal.

Twenty-one porters and 283 stock clerks quit work.

Pan Am issued a statement that any strike by the Transport Workers Union before March 2 would be illegal. It pointed out a 30-day cooling off period now is in effect under terms of the Railway Labor Act.

A company spokesman said the porters protested transfer to an assignment which prevents them from carrying baggage for passengers and getting tips.

Masked Men Rob a Safeway Store

NORTH LITTLE ROCK (AP) — Two white men wearing stocking masks robbed a Safeway store of an undisclosed amount of cash last night. Police arrested two suspects several hours later.

Police Chief Ray Vick said the suspects were being questioned today.

The robbers forced Bill Bryant, assistant manager of the store, to open the safe and fled with all the money it contained. A store official declined to say how much was taken but added it was only a small amount.

Benny Davenport, 22, a store employee, was struck in the head by one of the gunmen but was not hurt seriously. Two other employees and two customers in the store were not harmed.

## Ike Pleads for Increase in World Bank

WASHINGTON (AP)—President Eisenhower today urged Congress to approve immediately a \$1,575,000 increase in the country's gold and dollar contribution to the International Monetary Fund, a 50 per cent increase.

In a special message, Eisenhower also asked a doubling of the United States subscription to the capital of the World Bank, from \$317,000,000 to \$635,000,000. This new quota, however, involves no cash outlay.

Other member nations are being asked to do the same.

The increases, unanimously recommended by the governing boards of the 48-nation financial institutions are necessary to keep their resources abreast of expanding world trade and the rising demand for investment capital in underdeveloped lands, he said.

The big chunk of cash for the monetary fund would not substantially increase Eisenhower's 77-billion-dollar budget for fiscal 1960 if Congress provides it as requested before July 1.

In his budget message sent to Congress last month, Eisenhower included the amount under projected spending before June 30. It is part of the \$12,900,000,000 deficit he estimated for the current year.

A company spokesman said the porters protested transfer to an assignment which prevents them from carrying baggage for passengers and getting tips.

### Bids Taken on River Bank Work

LITTLE ROCK (AP) — An apparent bid of \$120,750.00 was submitted yesterday by the Pike Bluff Sand and Gravel Co. on a bank stabilization project on the Arkansas River.

Bids for the project, at Brown's Bend dykes about five miles south of Scott in Pulaski County, were received by Army Engineers here.

## Buildings Burn in Downtown Heber Springs

HEBER SPRINGS, Ark. (AP) — Three downtown business buildings were destroyed early today in a spectacular fire that touched off a supply of dynamite as it raged out of control.

The dynamite blast blew out the front and rear of one of the buildings and showered firefighters with debris.

Several firemen received minor cuts but no serious injuries were reported.

Owners of the razed buildings estimated the total loss at \$250,000.

Creaking power lines that fell during the blaze hampered firemen.

Fire Chief Cecil Alexander said apparently the blaze broke out soon after midnight in a one-story frame building housing the Heber Springs Produce Co. Origin of the fire could not be learned.

The flames spread across an alley and ignited a two-story stone and brick building housing the Bridwell Mercantile Co. Alexander said the dynamite and caps for it were stored in the Bridwell building. When the fire reached the explosives, a heavy blast rocked the area.

Besides blowing out the front and rear walls of the Bridwell building, the blast spread the flames to an adjoining two-story stone and brick structure housing the A. M. Barnett G Sons general store and the Pauline Bailey Beauty Shop.

Heber Springs firemen, assisted by a crew from the Searcy Fire Department, brought the blaze under control at dawn.

The structures housing the Barnett and Bridwell establishments were two of the largest in the business district.

Ray Miller's Men's Store, next to the Bridwell building, was damaged by smoke and water.

## Mrs. Myrick, 78, of Nashville, Dies Wednesday

Mrs. Jeanette Myrick, aged 78, of Nashville died in a Howard County Hospital Wednesday night.

She was a lifelong resident of Howard County and a member of the Immanuel Baptist Church of Nashville.

Funeral services will be at 2 p.m. Friday at Immanuel Baptist Church, Nashville. Rev. Roy Ward and John Harrison officiating. Burial will be in Antioch Cemetery near Nashville by Latimer Funeral Service.

Situation Bad Back in 1899

LITTLE ROCK (AP) — If you think Arkansas has had cold temperatures this winter, ask old-timers about the situation in 1899.

As a matter of fact, 60 years ago today the states highest reported temperature was 3 above zero at Prescott.

Meteorologist Walter C. Hickman of the U.S. Weather Bureau here turned up the information while making a check of old records.

Hickman said that on Feb. 12, 1899, lows of 25 below zero were registered at Corning and Winslow while Fayetteville and Siloam Springs had 24-below readings.

It was nipply at Little Rock that day, too—12 below.

By way of contrast, the bottom temperature in the state today was 22 above at Flippin. Other minimums ranged from 24 at Walnut Ridge to 42 at El Dorado.

Hickman said some of the readings 60 years ago today were among the coldest Arkansas has known

# Greeks, Turks May Agree on Isle of Cyprus

BY MICHAEL GOLDSMITH

ZURICH, Switzerland (AP) — Greece and Turkey agreed today on a proposed constitution for an independent Cyprus and prepared to ask Britain to approve it.

Prime Ministers Constantine Karamanlis of Greece and Adnan Menderes of Turkey, meeting in the final session of their conference here, approved the draft prepared by their foreign ministers in the five days of bargaining.

An end at last appeared in sight to the long and bitter dispute over the British island colony in the Mediterranean, off the south coast of Turkey.

Turkish Foreign Minister Fatih Rustu Zorlu said the agreement would strengthen the eastern alliance.

Zorlu and Greek Foreign Minister Evangelos Averoff prepared DON'T SCRATCH THAT ITCH: IN JUST 15 MINUTES.

to fly to London to submit the proposed constitution to British Foreign Minister Selwyn Lloyd. In the British capital, a Foreign Office spokesman said Prime Minister Harold Macmillan's government wholeheartedly welcomed the news. British officials would not comment further until they had studied the constitution in detail. But London's approval was considered certain since Greece and Turkey had agreed and since the constitution guarantees Britain will retain the big military bases she has established on Cyprus.

News of the agreement also heartened all other members of the North Atlantic Alliance. Greece and Turkey form NATO's eastern anchor, and the Cyprus fight had halted cooperation between them for several years. Britain has ruled Cyprus since 1879, and the island now is the major British base in the east Mediterranean. Of its 500,000 people, 400,000 are of Greek descent and 100,000 of Turkish origin.

For four years British troops have been fighting a guerrilla rebellion by EOKA, the Greek Cypriot underground which originally demanded that Cyprus unite with Greece. The Turkish minority demanded continuance of British rule or partition of the island between its two communities. Independence guaranteed by the troops of all three nations, with special rights for the Turkish minority, is the solution that has been worked out.

**American Music Program** Presented at the Home of Betty Bryant

As their part of the Parade of American Music, an annual project of the National Federation of Music Clubs in February, the newly organized music club, The Troubadors, presented an American music program at their first regular meeting on February 5, in the home of Betty Bryant.

After a short business session with Jan Reinhardt, presiding, Betty Jordan gave the life of Victor Herbert, whose one hundredth birthday is being celebrated this month. Tena Plinkinton sang "Gypsy Love Song." A quartet composed of Cherry Myers, Marguerite Ellis, Nancy Tooley, and Suzanne Booth sang "Ah, Sweet Mystery of Life." Then, "Moonbeams" and "Toyland" were sung by the choral group.

Pamela Pearsons read a sketch of the life of Ethelbert Nevin and Bill Land played "Gondolier" from "A Day in Venice." Mrs. Kelly Bryant assisted her daughter in serving cold drinks, cookies, and other snacks to 11 members and the sponsor, Mrs. B. C. Hyatt.

**John Cain Chapter, Enjoy's Luncheon**

The John Cain Chapter of the Daughters of the American Revolution, honored five D.A.R. Good Citizenship Girls from this area on February 11 at a luncheon at the Diamond Cafe.

Besides representatives from high schools at Hope and Lewisville, Ann Cole and Melonie Parker, this year three additional schools were represented by Patsy Carroll from Nashville, Jamye Sewell from Blevins, and Carolyn Melver from Guernsey.

The dining table held a centerpiece of grapes and cyclamen in silver with streamers of ivy. In the absence of the president, Mrs. Paul W. Klipsch, the vice president, Mrs. John V. Keck, presided over the meeting which followed the luncheon.

The honored guests were introduced and each read her essay on "How Can I Preserve My American Heritage?" Mrs. C. C. McNeill, representing the chapter, presented each girl with a pin for outstanding dependability, leadership, service, and patriotism.  
Hostesses for the occasion were

Mrs. Fred Ellis, Mrs. L. K. Person of Garland, Mrs. T. S. Cornwell, and Mrs. J. A. Haynes.

**Melrose HBC Met With Mrs. Virgil Huckabee**

Mrs. Virgil Huckabee was hostess to the Melrose Home Demonstration Club on Tuesday afternoon, Feb. 9.

Lovely spring flowers were placed on the tables in the living room. The hostess gave the devotion from Ephesians Chapter 6 and prayer was led by Mrs. Pauline Sanders. Songs, "I Love Him" and "Let Me Call You Sweetheart" were led by the song leader, Mrs. Lyle Allen.

Mrs. Otho Roberts, presided over a short business session. It was reported that the club donated \$5.00 to the March of Dimes. Coming events in club work were discussed.

A report on "Health" was given by Mrs. Sam Betts.

Mrs. T. T. Mangum gave an interesting book report on "The Race." The demonstration on "Clothing" was given by Mrs. Roberts. She gave many points on altering and fitting a dress correctly. He showed a blouse that did not fit and demonstrated how to correct it. The surprise package was won by Mrs. Mari Yocom on the game prize by Mrs. Mangum.

Delicious refreshments in the valentine theme were served to 12 members and 2 children. The next meeting will be in the home of Mrs. Yocom.

**Mrs. Jon Barabatto Hostess To Wesleyan Service Guild No. 2**

Wesleyan Service Guild No. 2 met in the home of Mrs. Jon Barabatto Monday, Feb. 9 at 7:30 p. m.

The meeting opened with the roll call and minutes followed by a report by the treasurer.

Miss Mary Louise Copeland, president, announced that the annual meeting of the Arkansas Wesleyan Service Guild would be held in Little Rock March 14-15.

Miss Mary Anita Lister presented the first study in the course, "Spiritual Problems of our North American Neighbors," with an interesting outline of the history and geography of Hawaii. Mr. Garrett Martin presented a program of color slides showing the scenery and people of Alaska. The program closed with the

playing of the record, "Midway City." Mrs. Barabatto served a dessert, plate and coffee to 10 members and two guests, Garnett Martin and Jon Barabatto.

**Chapter AE of PEO Met With Mrs. Gus Haynes**

Chapter AE of the P. E. O. met on February 10 in the home of Mrs. Gus Haynes with Mrs. Henry Haynes as co-hostess. Japonica and yellow bell were the pretty decorations used for the meeting.

Mrs. L. B. Tooley presided over the business meeting and reports were heard from various committees. For the program Mrs. Tooley read her President's letter.

The 10 members were invited into a dining room where they were served refreshments from a table decorated in the valentine motif. Hearts, flowers, and red candles formed the pretty centerpiece. The heart shaped salad was served by Miss Mable Eldridge, and Mrs. Tooley poured the red punch.

**Mrs. Floyd Crank Hostess To Iris Garden Club Tuesday**

Iris Garden Club met Tuesday afternoon in the home of Mrs. Floyd Crank.

The roll call was answered by naming a tree or plant on the conservation list.

During the business session, presided over by the president, Mrs. A. A. Albritton, members were assigned the arrangement they are to exhibit in the Spring Daffodil Show to be held March 10 at the National Guard Armory.

Plans were made to meet Monday Feb. 23 at Oglesby School to plant

shrubs donated by the members. Mrs. Dean Murphy was welcomed as a new member. Mrs. A. A. Halbert gave an informative talk on "Conservation of Our Good Earth."

Mrs. Owen Nix placed first in a miniature arrangement contest with Mrs. Billy Dan Jones placing second.

The hostess assisted by Mrs. Albritton served heart shaped kisses, strawberries and ice cream to those present.

## Budget Group Does an About Face

LITTLE ROCK (AP)—The Legislative Joint Budget Committee, in an about-face, voted yesterday to recommend that Arkansas AMM College at Pine Bluff be appropriated \$500,000 for each year of the 1960-61 biennium.

Rep. Marion T. Crank of Little Rock, committee chairman, said the action on the Negro college request was taken because "We just didn't want to get into any controversy. If there's one thing we want to avoid, it's discrimination."

of Pine Bluff had warned that if the school lost its accreditation rating because of a lack of funds, there would be an influx of Negroes into other state colleges.

Crank said that had nothing to do with the committee's decision. Crank said there was a danger the college would have to cut the salaries of its teachers if it didn't get at least \$500,000.

The college originally asked for \$600,000, but the state Legislative Council cut this to \$700,000 several days ago. The college asked the budget committee to approve \$500,000 a year, but the committee refused.

## St. Louis Has Winning Streak of 15 Games

By DON WEISS  
Associated Press Sports Writer

The way his St. Louis basketball team is playing, the only problem Coach John Bonington has these days is getting people to spell his name right.

His Billikens have a winning streak of 15 games after Wednesday night's solid 72-53 victory over Bradley. He has developed a bunch in a season's time that may yet eclipse the Missouri Valley Conference title from Cincinnati and the touted Oscar Robertson. He has in 6-8 Bob Ferry a scorer-rebounder he says he "wouldn't trade for any other big man in the country." And he is headed for a tournament-win or lose in the MVC.

"You spell it Benington, not Bennington," he sighs.

The crushing defeat of a Bradley team ranked No. 7 in the Associated Press poll put St. Louis into second place in the rugged Missouri Valley race. With a 12-2 overall mark, it had been quite a comeback for a mediocre-looking group that lost successive games to Kentucky and Cincinnati in their third and fourth games.

Texas Christian and Kansas State faltered; their conference leads and Dartmouth poked its Ivy League nose in front in the night's other features.

TCU, regaining its two-game lead in the Southwest Conference, whipped Texas A&M 80-61 as H. E. Kirchner scored 31 points. Kansas State won its eighth straight in the Big Eight for an 18-1 season record, trimming Kansas 82-72 as Bob Boozer scored 33. Dartmouth's winning streak reached 11 and its Ivy mark went to St. Joseph's (Pa.) and 80-77 victory over Princeton, 7-0, was idle.

Frank Case scored 34 points, 25 in the second half, in Dayton's 88-69 victory over DePaul, and NIT-bound Villanova ran its record to 18-4 by spilling Canisius 57-48.

Other NIT and NCAA contenders boosting their prestige were St. Joseph's (Pa.) and 80-77 victory over Penn for a 15-3 ledger; St. Bonaventure (14-1) in a 72-68 decision over its only conqueror, St. Francis (Pa.); LaSalle (12-5) over Georgetown (DC) 102-72; and Oklahoma City (17-4) over St. Mary's Tex 87-69.

Marshall's Leo Byrd, the nation's No. 2 major scorer, failed to hit his average but scored the winning basket with four seconds left to beat Ohio U. 74-73. Byrd scored 27 points and his average dipped to 29 compared to Oscar Robertson's leading mark of 32.5.

Fordham, an outsider in tournament consideration, made it 12-5 with an 89-50 rout of CUNY; Yale beat Brown 78-57; Bowling Green topped Toledo 77-58; and Navy and Army won afternoon games.

Jay Metzler and Hank Egan each scored six points in overtime for Navy's 68-58 triumph over Penn State. Sophomore Lee Sagers' 21 points triggered Army's 91-72 decision over Delaware.

## Stock Car Racing Champ Is Killed

DAYTONA BEACH, Fla. (AP)—Marshall Teague, 37, former national stock car racing champion, crashed and was killed while making a speed run at the new Daytona Beach Speedway today.

It was not known how fast he was traveling.

Teague was making a run in a Sumar Special which was built in Terre Haute, Ind., and is owned by Chapman Rot, Ormond Beach millionaire. The car ran ninth last year at Indianapolis.

Teague made a run in the Sumar earlier this week and hit 177 miles an hour. He was trying to better that speed today.

Teague won numerous national stock car races over the 100 and 200 mile distances and in 1954 was named national stock car champion.

## Brown Retains Title With a Decision

By HAROLD V. RATLIFF

HOUSTON, Tex. (AP)—Joe Brown, an aging fighting machine that hasn't started to creak, beat young Johnny Bussio with a comparative ease Wednesday night, then said he wanted another fight real soon.

The world's lightweight champion, defending his title for the sixth time in two years, declared he would meet Bussio again "or anyone Manager Lou Viscusi lines up," but he just wanted action.

"I get rusty when I'm inactive," said the skinny little Baton Rouge, La., Negro, who has been very inactive except that he tried an overweight fight with Bussio in Miami four months after his last defense of the title—and lost.

But Brown showed no effects of inactivity as he whipped Bussio by a wide margin in 15 rounds.

Referee Jimmy Webb scored it 148 for Brown, 131 for Bussio; Judge Ernie Taylor, Brown 147, Bussio 138, and Judge Bill Cornelius 149-140 Brown.

A crowd of 11,033—the largest ever to see a fight in Texas—watched the little dark destroyer throw a blasting right that knocked the strong young man from New York through the ropes in the ninth round. Throughout the fight Brown kept his right working overtime. Bussio's face was a bloody mask at the finish.

Bussio's nose bled from the third round on, splattering Browns' trunks with bright red. Brown also cut Bussio's cheek with a stinging left hook and he had one of Bussio's eyes almost closed in the last round.

Bussio pressed the fight until the late rounds when he appeared to be a most weary youngster.

The crowd paid \$61,155—more than 8,000 under the record set by the Brown-Kenny Lane fight last July here—and with \$40,000 from television, total receipts came to \$101,155. Brown got 40 per cent and Bussio 20.

Brown weighed 134 pounds while Bussio was a fraction under 135.

The river level then began to drop.

The floodwaters by-passed a mile-long ice jam between Peru and Logansport and a massive 12-mile jam in the channel between Logansport and Delphi.

National guardsmen patrolled Peru's south side to watch for looting.

The Red Cross set up 11 shelter areas but few evacuees took advantage of them.

"People here are so used to these floods that they have a standard procedure set up," explained Robert Tillet, chairman of the local Red Cross Disaster Committee. "They go straight to the homes of friends and relatives."

Most of the evacuation was on foot or by car and truck. Firemen in boats rescued about 50 stranded persons, including one young boy with a broken leg.

A mile-long ice jam about four miles downstream from Peru, was cited as one of the major causes of the flood.

Demolition experts studied the possibility of trying to dynamite the jam, but an engineer, R. D. Walker, said he's never seen explosives take out a jam that size.

Ice also was the big problem farther downstream where it was feared conditions would grow worse as jams broke up or melted.

Woman Dies in Texarkana Fire

TEXARKANA, Ark. (AP)—Fire swept through a house here yesterday, killed Mrs. Lenna Singleton, 53, and her infant grandson, Dennis Ray Cooper. Both were Negroes.

Fire Chief C. P. Birmingham said the fire apparently started from a wood-burning stove.

## Lincoln's Birthday Is Observed

By THE ASSOCIATED PRESS

The nation today observed the 150th anniversary of the birth of Abraham Lincoln with both simple and elaborate ceremonies.

Meetings and celebrations honoring the Civil War president hit a peak for 1959, the Lincoln Sesquicentennial Year.

President Eisenhower led the tribute saying Lincoln belongs not only to the ages but to humanity.

A joint session of Congress was to be addressed by Carl Sandburg, Lincoln biographer, and later by Fredrick March, who read the Gettysburg Address.

Eisenhower attended a memorial dinner Wednesday night in a Washington hotel. Two former chief executives—Herbert Hoover and Harry Truman—sent letters to be read at the gathering sponsored by the Lincoln Group of the District of Columbia.

President Eisenhower, sharing the speaking program with the Rt. Rev. Richard S. M. Emrich of the Episcopal Diocese of Michigan, said it was the hope of Americans and of freedom's sentinels everywhere that "the spirit of Lincoln be close at hand as we meet each successive challenge to freedom."

Eisenhower earlier quoted Lincoln in an appeal for governmental economy and a balanced budget.

105 czcwyw or 12 EL PASO, Tex. (AP)—The last B30 bomber will roar out from Biggs "Air Force Base" here today on a flight to Fort Worth's Carter Field.

Then, the big queen with the Sunday punch that was never used will be history. It will be a memorial in Fort Worth, where it was manufactured.

In its 15-year life span, the giant 100-ton (six props and four jets) bomber never saw action. But, the Strategic Air Command credited the craft with preventing atomic war through its global readiness.

She was the first intercontinental bomber and could have bombed the Soviet Union from bases in the continental United States—and then gone on to land on friendly soil.

But although continually modernized with newer radar equipment, the big plane couldn't keep pace with the jet age.

Faibus Grants a Stay of Execution

LITTLE ROCK (AP)—Gov. Orval E. Faibus yesterday granted a stay of execution to Lawrence Smith, a Negro who was sentenced to die tomorrow for the murder of a Chicago County man.

The stay was granted to give Smith's attorney time to complete an appeal before the Arkansas Supreme Court. Faibus set March 13 as the new execution date.

A Circuit Court jury convicted Smith last fall of first degree murder.

Election Commission Would Keep Control

LITTLE ROCK (AP)—Three members of the White County Election Commission went to the Arkansas Supreme Court yesterday in an effort to maintain control of ballots cast in a wet-dry election.

The members are under order from White County Court to turn over the records of the election, which the commission certified as showing the voting was in favor of the sale of intoxicating liquors.

Commission members involved are Truman N. Baker, A. C. Webb and W. H. Capps.

The White County Court order was issued after E. F. Boone and 17 other White County taxpayers filed a petition with the court charging "fraud and criminal misconduct" by the election officials and electors. The petition contended the election results should have shown voting was against the sale of intoxicating liquors.

Baker and the other commission members told the county court they could not turn over the election records because no petition asking for a recount had been filed with the commission.

## Admits Selling to Chicago Gangsters

WASHINGTON (AP)—A former executive of Wurlitzer Corp. testified today he once sold the biggest order of juke boxes on record to Chicago gangsters.

William Hammergren, former general sales manager and vice president of the music instrument firm, said one of his clients was "Al Capone mobster" Jake (Greedy Thumb) Guzik.

Before the Senate Labor-Management Committee, Hammergren said that in 1940 he sold, in the early 1940s about 2700 juke boxes to Chicago mobsters.

Hammergren was the first witness as the committee opened a scheduled month of hearings on charges that a giant combine of gangsters and labor union officials has gained control of the coin machine industry.

Committee Chairman John L. McClellan (D-Ark.) said underworld figures from widely scattered areas will be called as witnesses.

Knights of the Garter, established in 1346, is the oldest order of knight-hood in England.

### Executions Delayed Pending Appeal

LITTLE ROCK (AP) — Two Miller County Negroes sentenced to be executed next week won postponements yesterday by going to the Arkansas Supreme Court.

The court put off the electrocutions of Willie Henry Byrd and James A. Boyd, both of Mandeville, while their attorney effects an appeal.

The men were sentenced in Miller Circuit Court for the slaying of a woman.

## Prescott News

Mrs. N. N. Daniel-Hohened Mrs. T. E. Logan honored Mrs. N. N. Daniel with an all day fiesta party at her cottage on Suckler Lake on Friday. The occasion was Mrs. Daniel's birthday anniversary. At noon a buffet luncheon was served and Mrs. Daniels was showered with lovely gifts. Mrs. W. P. Cummings was high score in the canasta games.

Mrs. J. W. Robertson, Mrs. John Hubbard and Miss Julia Logan were luncheon guests. Others present were Mrs. J. V. Fore, Mrs. H. J. Wilson, Mrs. R. P. Hamby, Mrs. Wren Scott and Mrs. C. C. Jones of Tallaham, Okla.

#### Tri-Service Club Meets

On Friday afternoon the Tri-Service Club met in the home of Mrs. Dick Bright for the monthly business meeting with president Mrs. J. B. Franks, presiding.

It was voted to donate \$100 to the March of Dimes. Plans were made for the club to attend the World Day of Prayer at the First Baptist Church Feb. 13 in a group.

Coffee and cookies were served to members Mrs. Dudley Rouse, Mrs. Bill Ward, Mrs. Earl Eppeler, Mrs. Bob Yarbrough, Mrs. J. J. R. Bemis, Mrs. Gene Hale, Mrs. Miriam Adams, Mrs. Bill Oates and Mrs. Franks.

Mrs. Beaver Complimented Mrs. R. C. Beaver of Hot Springs was complimented with a pink and blue shower given by Mrs. Johnny Stark of Little Rock on Saturday afternoon in the home of Mrs. Clark White.

A miniature wicker candle filled with blue candy tuft and pink baby mums graced the coffee table. On a lamp table was placed a potted pink hyacinth. The honoree chair was marked with a

of M. R. Hamm, 76, near Texarkana May 9, 1958. Two other Negroes of Mandeville, Rogers Boone and James Moore also were sentenced to death in the case but no execution date is set for either.

corsage of pink and blue carnations. Appropriate games were played with prizes being won by Mrs. Carl Dailymple and Mrs. W. F. Denman Jr. after which Mrs. Beaver was presented her lovely gifts in a musical doll cradle tied with a blue satin bow.

The 15 guests were invited into the dining room where they were served a dessert course from the table covered with a lace cloth centered with a white iron stove complete filled with white candy tuft and red carnations interspersed with red hearts. Red candles in brass holders were placed on each side.

White candles in white holders encircled with fern and lilies of the valley were placed at intervals along the table. The centerpiece was a long low arrangement of white gladiolas, candy tuft and pom-pom chrysanthemums centered with graduated white tapers. Two wedding bells with clusters of lilies of the valley placed at the base.

Covers were laid for 14 guests. The couples chose this time to present their attendants with gifts.

Church Scene of Bemis-Ray Nuptial Vows The wedding of Miss Mayden Ray and James Harvey Bemis Jr. took place at 4:30 p. m. Saturday in Calvary Baptist Church, Little Rock. The bride is the daughter of Mr. and Mrs. Orville Perley Ray of Little Rock and Mr. Bemis is the son of Mr. and Mrs. James Harvey Bemis of Prescott.

Rev. Paul Fox performed the ceremony. Mrs. Harold Wilson played the nuptial music and accompanied Bill Jones, who sang. Ushers were Misses Anna and Ruth Martin of Jonesboro.

Given in marriage by her father, the bride wore a waltz-length dress of peau de soie with a deep scooped neckline edged in Alencon lace embroidered in seed pearls. The skirt, fashioned of soft unpressed pleats in the buck, was accented at the waistline with a band of lace. She wore a Queen Anne cap edged in lace with a circular shoulder-length veil and carried a crescent bouquet of white orchids and stephanotis.

Miss Anna Mar Smith of Memphis was maid of honor, and Mr. Bemis served his son as best man. John White and Harold Wilson were ushers.

After the ceremony, a reception was held in the home of the brides parents. After a wedding trip to New Orleans and Acapulco the couple will reside in Little Rock. Mr. Bemis is associated with Arkansas Power and Light Co.

pleno caught in the current of the river. Several persons, including Andres, went to her aid and Andres became exhausted and sank. After the unconscious man was towed ashore, Scotty took charge and using his Scout training administered artificial respiration.

Scotty is the grandson of Mrs. J. M. Ingram of Prescott who also attended the ceremony.

PTA Has Joint Meeting For Father's Night A combined meeting of the Prescott Elementary and Junior Senior Parent Teachers Assn. was held Thursday night at 7:30 at the Elementary cafeteria. Father's Night was observed at this meeting.

Members and guests registered on entering. Mrs. Edward Bryson assisted by Nelda McBrayer was in charge of the register. Hospitality committee members, Mrs. Dawson Henry, Mrs. Samuel Jones, Mrs. Wilburn Willis, Mrs. Bill Bolton and Mrs. J. Coe, greeted guests and pinned on favors made in the PTA emblem.

Elementary PTA President, Mrs. Dudley Rouse, presided over the meeting. An impressive devotion was given by Mrs. Ray Woodell. Mrs. P. A. Escarra, Jr., PTA president, gave the welcome address and introduced past presidents and special guests. Mrs. H. F. McKenzie read the state president's message.

Nominations from the floor were received for the nominating committee for both association. Those serving on elementary committee are Mrs. Allen Erskine Jr., Mrs. Alfred DeBlack and Mrs. Mark Justice. Members serving on Jr. Sr. committee are Mrs. Harold Hendrix, Mrs. H. F. McKenzie and Mrs. Vernon Buchanan.

The entire program was arranged by historians, Mrs. Carroll Branton and Mrs. Ellis Stewart.

Mrs. D. L. McRae Jr., program chairman of Elementary P. T. A. introduced the speaker, Mrs. L. O. Lee, who gave an interesting discussion on "Tomorrow. Begins Today." Mrs. Lee lit candles for the two founders of the P. T. A. Alice McCalland and Phoebe Apperson Hearst. Her talk was centered around the objects of the P. T. A. and what is being done in order to obtain these objectives.

Winners in the room count of the Elementary School were Mr. Norman Smith and Mrs. Ardell Clark. The senior class was the winner in the Jr. Sr. High School. Rev. Alfred DeBlack gave the benediction after which members and guests were served coffee by

Mrs. Rouse and Mrs. DeBlack and individual cakes by Mrs. Carroll Branton.

## Assessment Extension Is Certain

LITTLE ROCK (AP)—An extension of the deadline for counties to comply with Arkansas' property reassessment law apparently is certain.

The Legislature yesterday completed action on a bill fixing Dec. 15, 1959 as the date on which counties must assess property at 10 per cent of actual value or lose part of their turn-back funds from the state. The bill, approved earlier in the Senate, passed the House, 74 to 10, with only slight opposition.

The bill has been sponsored by Gov. Orval E. Faubus and is almost sure to receive his approving signature.

The deadline previously had been Dec. 15, 1958 but about 12 counties either have not met the 10 per cent figure or have not made satisfactory progress toward hitting assessment figures. Opponents of the bill said it would give an advantage to those counties, but backers of the proposal said the entire reassessment plan would be killed if the bill was delayed.

Meanwhile, the Senate received another in a series of anti-integration bills designed to aid students transferring to private schools. This proposal, introduced by Sen. J. Lee Bearden of Leachville, would authorize direct payment of state aid to a student transferring from an integrated school.

Other legislation already has been introduced authorizing such direct payments to students forced to transfer from schools closed in the face of integration.

The Senate also completed legislative action on a bill to bring career county employees into the state retirement system. This vote was 3 to 4.

And it received a new appropriation bill for the State Parole Board which contained salary reductions for some employees.

Monday, the Senate also debated the board's budget bill after some members expressed resentment over a lack of courtesy on the part of the agency.

The House paved the way for the state to take over the Army-Navy Hospital at Hot Springs should the Army decide to abandon the general hospital. It approved, 10 to 0, a bill authorizing the state to acquire the property and operate it as a vocational rehabilitation center.

The House also received a resolution calling for a study by the Legislative Council of textbooks used in junior and senior high schools. Reps. John Stiles and Norman Wimpy of Craighead County, the authors, said that some textbooks express views and philosophies contrary to the beliefs of the United States.

An administration-backed bill to require the payment of local pro-

## Gem Robberies Have Florida Police Busy

MIAMI, Fla. (AP)—Two jewel robberies, adding up to a total haul of nearly a million dollars kept police busy seeking clues today.

Latest was Monday's holdup of the Al Levinson Co., a downtown jewelry importing firm which reported gems valued at \$500,000 were taken.

A man posing as a customer entered the office but aroused no suspicion until an armed confederate came in and ordered workers and a visitor to lie down.

Levinson said the stolen jewels were insured for 70 or 80 per cent of their value. Several thousand dollars in cash also was taken.

Police would not speculate on the possibility of a connection between the Levinson robbery and the theft Sunday from a hotel suite of \$400,000 worth of jewels belonging to Leon C. Greenbaum, board chairman of the Hertz Car Rental Corp.

## Bill to Operate Hospital Passes

LITTLE ROCK (AP)—The Arkansas House today passed, 89-0, a Senate bill which would permit the state to operate the Army-Navy Hospital at Hot Springs as a vocational rehabilitation center.

Passage of the bill was a step in conversion of the Hot Springs facility in case the Army abandons it as a general hospital.

Sen. John L. McClellan (D-Ark) and Rep. W. F. Norrell (D-Ark) have succeeded in recent years through parliamentary maneuvering in forcing the Army to continue to operate the hospital.

However, it is felt the Army will be successful this year in its efforts to close the facility.

Later, the Arkansas Legislature will have to appropriate \$200,000 to match federal funds for the first year of operation of a vocational rehabilitation center.

The proposed center, which has the backing of Gov. Orval E. Faubus, would serve vocational rehabilitation plants from several states.

vailling wages on all public projects was snowed under with amendments in the Senate and backers said the move apparently killed the proposal.

Sen. Jerry Screeton of Hazen offered the fatal amendment by proposing that all highway, street and bridge projects be excluded from provisions of the bill, as well as "any other types of construction," the amendment was adopted.

In a variety of new proposals introduced during the day was one by Rep. N.B. Murphy of Ashley County requiring the labeling by race of blood intended for use in giving transfusions.

## Against Curb on Rural Power Program

WASHINGTON (AP)—Sen. Hubert H. Humphrey (D-Minn.) said today that the Eisenhower administration is suppressing public power programs at a time when Communist threats diddle otherwise.

"There is quite a contrast between plans for power development here and in Russia," the senator said. "The Soviet Union is gearing for all-out expansion."

Unfortunately, at the present administration seems aimed in the opposite direction, to retard and retard public power development."

Humphrey, who recently visited Russia, made these comments in a speech to the annual meeting of the National Rural Electric Cooperative Assn.

Leaders of the association have called upon the convention and Congress to fight administration proposals that the rural electrification program now based on government loans to local systems be shifted to private sources of credit.

President Eisenhower is scheduled to outline the administration's position in a talk before the

convention tomorrow. It is the administration's position that the rural power movement, with 25 years of government aid, has progressed to a point where it should stand on its own feet.

To put it in military terms, one could say the administration is conducting a holding action."

Humphrey said "it is holding the line on hydro power development, holding the line on atomic power production, holding the door open for the power company hierarchy to strengthen its power and position."

Secretary of Agriculture Benson is holding the reins on the Rural Electrification Administration, and if immediate steps are not taken you know who will be holding the bag.

## GOPs Credit Persons With New Policy

WASHINGTON (AP)—Republicans are crediting presidential assistant Wilton B. Persons with bringing about a new White House awareness of political matters in appointments.

Persons, who succeeded Sherman Adams as President Eisenhower's right hand man, apparently is pleasing congressional Republicans with his cooperative-

ness. Unlike Adams, who sometimes preferred a Democrat to a Republican, Persons is reported to feel that the road to harmony within the party is through paying attention to the recommendations of party senators and House members when there is a job to fill.

Congressional Republicans have pressed this same view upon GOP National Chairman Mendel Aboim with reports of varying success. There have been some complaints, but most of them think Aboim's record of consulting with them is improving.

For his own part, Aboim apparently is finding it a great deal easier under the Persons regime than under Adams to convey his appointment recommendations to

Eisenhower. Unlike Adams, Persons has assigned specific responsibilities within his office and has assigned David Kendall, assistant deputy to many personal attention to patronage matters.

Eisenhower told his news conference Tuesday that he and including Aboim, can veto any action he may make for an appointment. But his statement that "political considerations come in" was interpreted as indicating more awareness of this factor than some Republicans thought he had shown in the past.
